We have updated the preliminary September economic forecast which was released on August 25, 2015. The final September economic forecast reflects a more recent national forecast and newly released state employment data. This updated economic forecast is consistent with the September 2015 revenue forecast released today, September 14, 2015.

The following tables compare the final September economic forecast with the preliminary September forecast as well as with the forecast adopted in June, 2015.
